1. PRE-EXAM Assignment. PROJECT PROPOSAL_Version 1. GROUP 1

Start Assignment

Due Friday by 23:59   **Points** 10   **Submitting** a file upload   **File types** doc and docx
Available 7 Sep at 0:00 - 16 Sep at 23:59

Dear All,

1. Please familiarize yourselves with the **Final exam** procedure and expectations

8. FINAL EXAM (https://lms.skoltech.ru/courses/5738/assignments/34702)

2. Please refer to **Files** for the description of a *Project Proposal* and the required *template*.

_PhD_FInal_Project_Final-3.docx (https://lms.skoltech.ru/courses/5738/files/385776?wrap=1) ↓
(https://lms.skoltech.ru/courses/5738/files/385776/download?download_frd=1)

Project_Proposal_template-4.doc (https://lms.skoltech.ru/courses/5738/files/385777?wrap=1) ↓
(https://lms.skoltech.ru/courses/5738/files/385777/download?download_frd=1)

Please follow the instructions and write your Proposal (Extended Abstract) keeping in mind that the ultimate goal of your writing is **Academic Communication in a cross-disciplinary setting.**

Use **Grading criteria (in Files)** and **Peer Review prompts (in Files)** as a checklist before submitting the text**.**

Do Not Plagiarize!

Use IEEE citation style in your proposal.

There should be NO visual elements (graphs, tables, figures).

DO NOT use AI to generate the text of your proposal. AI can only be used for grammar improvement.

You have to acknowledge the use of AI at the end of your text as a separate line (not counted towards the word count): which tool was used for which purpose and to which extent.

If AI-generated text is detected, the grade may be lowered.

Please upload here **Version 1** of your Proposal.

FILE NAME: YOURNAME_ProposalV1

Please note that failure to upload the document by the due date means that you will not have access to any further assignments.

Upload the proposal by the **DUE DATE (12.09).**

3. You will be **automatically** assigned **two (2) Peer Reviews** **on 14.09.**

You will get access to your colleague's page with their Proposal. You will need to upload EACH Peer review **TWICE** by 16.**09:**

1) in your colleague's pages as redirected by Canvas,

2) both (TWO) Peer Reviews should be uploaded as **separate files** **in PRE_EXAM Assignment 2_Peer Review (https://lms.skoltech.ru/courses/5738/assignments/34690)**

2. **PRE-EXAM Assignment. Peer Review. (https://lms.skoltech.ru/courses/5738/assignments/34690)**

Please see the **Peer Review Assignment (https://lms.skoltech.ru/courses/5738/assignments/34690)** for details. Please note the DUE DATES and submit your materials on time.

4. After you get a peer review and feedback from the **Instructor**, you should prepare the *Final* version of your text and upload it to the **Final Version Assignment.**

5. PRE-EXAM Assignment. PROJECT PROPOSAL_FINAL Version

Your diligence and respect for deadlines are extremely important and will be greatly appreciated by your colleagues and instructors.

Proposal_V1

Criteria	Ratings					Pts
Contents Contents scaled and suitable for the multidisciplinary audience	**1 Pts** **Full marks** The content is substantial, original, and significant. The text is scaled and adjusted for the multidisciplinary audience. The topic is presented clearly, accurately, concretely and concisely. The goals and objectives are clearly stated. The significance of the project is duly highlighted.	**0.5 Pts** **Medium** The content is valid and mostly original. The text is insignificantly scaled for the multidisciplinary audience. The topic is mostly accurate and concrete.	**0 Pts** **Poor** The content is neither original nor substantial. The text is not adjusted nor scaled for the multidisciplinary audience. The topic is not addressed. Significant plagiarism or extensive use of AI tools is detected			1 pts
Organization / Structure Organization / Structure IMRaD= Introduction Methods Results Discussion	**3 Pts** **Full marks** Logical and coherent presentation of ideas; all parts of IMRAD are present, balanced and contribute to a strong central idea. The storyline is clear and engaging. The goals and objectives are clearly stated.	**2 Pts** **Good** Logical and coherent presentation of ideas; all parts of IMRAD are present, and contribute to a strong central idea. The storyline is mostly clear. The goals and objectives are mostly clearly stated.	**1.5 Pts** **Medium** The text is mostly logical. All parts of IMRAD are present, but cohesion means are not consistently used. The goals and objectives are not clearly stated.	**1 Pts** **lower than medium** The logic of the text is unclear. All parts are present, but unbalanced. The text lacks cohesion.	**0 Pts** **Poor** The IMRAD parts are mixed up or absent. There is no logic in the text. Individual ideas are not linked together.	3 pts
Referencing in IEEE	**2 Pts** **Full marks** The proposal includes a well-formatted list of 3-10 references in IEEE format.	**1.75 Pts** **Good** The proposal includes a list of references in IEEE format, with minor formatting errors or missing some required information	**1 Pts** **Medium** The proposal includes a list of references, but with noticeable formatting errors and missing required information.	**0 Pts** **Poor** The proposal does not include a list of references or does not follow IEEE format.		2 pts
